98 Stat. 2779 (1984), 47 U.S.C. 521 et. seq., amending the Communications Act of 1934, as further  
amended by the 1992 Cable Consumer Protection and Competition Act, Public Law No. 102-385  
and the Telecommunications Act of 1996, Public Law No. 104- 104, § , 110 Stat. (1996).

(d) Cable Communications System or Cable System - A facility, consisting of a set  
of closed transmission paths and associated signal generation, reception, and control equipment that  
is designed to provide cable service which includes video programming and which is provided to  
multiple subscribers within a community, but such term does not include (A) a facility that serves  
only to retransmit the television signals of one or more television broadcast stations; (B) a facility  
that serves only subscribers in one or more multiple unit dwellings under common ownership,  
control, or management, unless such facility or facilities uses any public right-of-way; (C) a facility  
of a common carrier which is subject, in whole or in part, to the provisions of Title II of this Act,  
except that such facility shall be considered a cable system (other than for purposes of section 621(c)  
to the extent such facility is used the transmission of video programming directly to subscribers; or

(D) any facilities of any electric Utility used solely for operating its electric utility systems. In addition, a cable communications system or cable system means a fully addressable system providing telecommunications services, which include, but which are not limited to, retransmitting radio and broadcast television signals, distributing video programming, transposing voice, video or digital electronic signals through TOWN to other locations, telephony services, internet access or use, process control, and other technologies to or from Subscribers or other cable system users, and/or producing, receiving, amplifying, storing, processing or distributing audio, video, digital or other forms of electronic, light or other similar types of signals to or from Subscribers

(e) Cable Programming Services - Any video programming provided over a cable system; regardless of service tier, including installation or rental of equipment used for the receipt of such video programming, other than 1) radio and broadcast television video programming carried on the Basic Broadcast Service tier; 2) programming on any PEG channel; 3) video programming offered on a pay-per-channel or pay-per-program basis including interactive services; or 4) a combination of multiple channels of pay-per-channel or pay-per-program video programming offered on a multiplexed or time-shifted basis so long as the combined service: (i) consists of commonly-identified video programming, and (ii) is not bundled with any regulated tier of service.

(f) Cable Service - The one-way or two-way transmission to or from Subscribers of video programming, or other Cable Communications System Services (including music), and Subscriber interaction, if any, which is required for the selection of such video programming or other programming service, and the installation and rental of equipment necessary for the receipt to transmission thereof

(g) Community Programming - Programming produced locally or otherwise for distribution on any Public, Education or Government Access Channel

(h) Competing Distributors - Cable System Operators or other telecommunications service providers whose actual or proposed service areas overlap.

(i) Drop - The coaxial or fiber-optic or other cable that connects a home or building to the Subscriber network.

(j) FCC - Federal Communications Commission.

(k) Franchising Authority - The Borough of Northumberland, PA.

(l) Franchisee - a corporation which enters into a nonexclusive franchise to provide cable programming services and operate a cable communications system within the Borough of Northumberland.

(m) Franchise Fee - The charge paid by the Franchisee to the Borough for the right to occupy the public rights-of-way.

(n) Reserved

- (o) Outlet - An interior receptacle that connects a television set to the Cable Communications System.
- (p) Open Video System - Channel capacity available for hire for a fee.
- (q) Programming - Any video, audio, text or data coded signal carried over the Cable Communications System
- (r) Franchise - The right to occupy the Public Rights-of-Way within the corporate limits of the Borough of Northumberland.
- (s) Standard Service Package - A combination of cable service tiers, consisting of the Basic Broadcast tier and Cable Programming Service tiers, as provided by the Franchise as of the Effective Date and including any individual broadcast channels or cable networks added to these tiers as a result of the reconstruction of the Cable Communications System.
- (t) Subscriber - A person or entity who contracts with the Franchise for and lawfully receives, the video audio, text, and cable services distributed by the Cable Communications System.
- (u) Subscriber Network - The Trunk and feeder signal distribution network over which video, audio, text, digital and data signals are transmitted to or from Subscriber.
- (v) Subsidiary Corporation or Affiliated Corporation - Any corporations, other than Franchisee, in an unbroken horizontal or vertical chain of corporations connected to Franchisee, if, at the time of the execution of the franchise agreement, each of the corporations other than the last corporation in the unbroken chain or any parent or subsidiary corporation or affiliated corporation owns stock comprising fifty percent (50%) or more of the total combined voting power of all classes of stock in one of the other corporations in such chain.
- (w) Total Local Gross Revenues - All cash, credits, property of any kind or nature, or other consideration whatsoever in any form arising from or attributable to the sale or exchange of cable communications services or in any way derived from the operation of the cable communications system in the municipality, whether received by franchisee or any subsidiary or affiliated corporation.
- (x) User A person or entity who contracts with the Franchisee for and lawfully distributes or receives video signals and cable communications system services distributed by the Franchisee

**SECTION 3. FRANCHISE** Consistent with all applicable Federal and State Laws, the Borough of Northumberland may grant a non-exclusive franchise to the operator of a cable communications system to provide cable programming services within the Borough of Northumberland. The annual franchise fee shall be a percentage of of the total local gross revenue and shall be paid quarterly and shall be due on the 15<sup>th</sup> day of the month following the close of each calender quarter. The Borough Council or its representative may negotiate the amount of the fee and the term of the franchise agreement.

**SECTION 4. Effective Date** This Ordinance shall be effective immediately.

ENACTED AND ORDAINED as an Ordinance of the Borough of Northumberland, Northumberland County, PA this 5<sup>th</sup> day of June, 2001.
