

NORTHUMBERLAND PLANNING COMMISSION

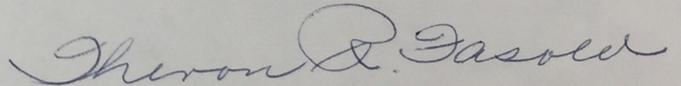

TO: Northumberland Borough Council,  
Office, Second and Queen Streets,  
Northumberland, Penna

Mr. Robert Whitmer: Borough Secretary

Gentlemen:

At our regular meeting of October 31st 1967, it was suggested that a joint meeting be held by Borough Council, Township Supervisors, Borough and Township Planning Commissions, County Planning Consultant and if possible a representative of Bucharth and Horn, for the "Express purpose of a course of action", relative to the proposed relocation of Route 147 and its effect on the Borough and Township. Motion made as to same by Harold Singer, seconded by Arthur Taute.

This as well as any other Highway changes would be a detriment of benefit to either Community. It was suggested this meeting be held November 21st at 7:30 p.m. in Council Chambers. Public hearings on Highway proposal to be held November 29th 1967.

Signed: Theron R. Fasold  
Secretary  
Northumberland Planning  
Commission.
